

St.MARGARET'S CHURCH ORGAN RESTORATION
MANAGING COMMITTEE

Meeting Minutes

July 2006

A short meeting was arranged to catch up on progress made since the last report.

Revised estimates have been obtained from both Harrison & Harrison and Gwynn & Goetze. Calculations have been done to arrive at projected figures for starting restoration work in 2007,2008,2009,2010 and 2011.

Nicholas Thistlewaite, our Organ Advisor has given us the go-ahead for proceeding with our funding applications.

We are in the process of filling up these application forms and collecting together all the supporting documentation required.

Hopefully all this preparation work will come in useful when the Tower and Window Restoration project gets underway.

A request has been made to Finance Committee to ring-fence allocated funds – a reply is awaited

Martin Jackson volunteered to meet up with Mark Venning of Harrison & Harrison with a view to checking out the feasibility of any form of Plan B, which we might have to consider for basic repairs if our total funding applications turn out not to cover the estimated cost of a full restoration.
